

IS YOUR DOG JUST LIMPING ALONG?

Your dog may be experiencing mobility issues and **Jefferson Animal Clinic** is enrolling dogs in a clinical trial to evaluate a supplemental diet to help dogs with limited mobility.

If your dog has trouble moving around, is 7 yrs. of age or older, and weighs between 51 and 80 pounds, he/she may qualify for **FREE** examinations and **FREE** food for up to 5 months! And you could receive **\$200!**
